PROFESSIONAL EXPERIENCE

UX Designer
AndPlus LLC, Framingham, MA | April 2015 - Present

Client consulting to groom out product backlog & realize application architecture. Using Balsamiq, Marvel, PS & AI to create user flows, site diagrams, prototype & mock up web/mobile applications. User Research + testing with an Agile approach.

Creative Director
CoCreation Works, New York, NY | June 2013 - Feb 2015

Created Omnigraffle wireframes based on research result and presented accordingly. Designed web & mobile app layouts in Photoshop & Illustrator. Collected & exported marketing materials via InDesign for print. Iterated on responsive B-to-B & B-to-C sites.

Design Management Lead
Kristin Hanson, New York, NY | Mar 2013 - Jan 2015

Sketched, outlined, wireframed (Omnigraffle) and mocked up (Photoshop & Illustrator) refreshed web and mobile applications. Project managed design efforts via Basecamp to iterate on app redesigns. Designed & co-developed responsive scaled Magento site using UX research specs. Created Wordpress blog. Conducted A/B testing.
